# INTERIOR CLEANERS

Our interior cleaners are based on the best detailing raw materials and cleaning products to protect your car. Our cleaners not only tackle specific marks and grime that build up over time but they are also value for money.

## GLASS CLEANER

A quick action glass cleaner, specially formulated to remove dirt, finger marks, tobacco and deposits on inside and outside glass leaving a streak-free shine. This is also an anti-mist formula to help reduce misting. Ammonia free.

500ml Trigger: AZ 261  
25 Litres: AZ 311

## HARD SURFACE CLEANER

Fast acting formula that will remove dirt, grime, fuel oils, food oils, fats, grease, rubber marks, tobacco film and lots more soiling. This is an all-round performance for the cleaning of machinery, parts tanks, vehicle valeting and lots more. Dilute between 1:10 to 1:40 depending on soiling.

210 Litres: AZ 340  
1000 Litres: AZ 341

## VEHICLE INTERIOR CLEANER (Kryptonite)

This is a concentrated low foam formula, pleasant smelling liquid detergent designed to remove a variety of stains quickly and effectively from all types of vehicle upholstery and trim and eliminate unpleasant smells. Product can be used on carpets, mats, seats and trim panels.

25 Litres: AZ 326

## AZ101 – INTERIOR CLEANER

This is an all rounder product. For use on headlinings, door panels and boot linings. Can also be used as a deep-cleaning fabric cleaner. This is concentrated and should be diluted depending on soiling. Recommended dilution 12:1.

25 Litres: AZ 351  
210 Litres: AZ 352

## DON'T FORGET:

If you don't see the product or size you require, just contact our sales team!

We can also supply products unlabelled or we can label to your specification!

# TRAFFIC FILM REMOVERS

A combination of several products are offered from high foam to regular power wash spray. We customize the products to specific requirements and have the main industry standards at very competitive prices.

For use on trucks, chassis, engines, trailers, curtains, buses, coaches and heavily soiled cars.

Our Traffic Film Removers and Degreasers are specifically formulated to dissolve and lift traffic film, dirt, grime, oil and grease from all types of paint finish. Dilution ratios are guidelines and depend on the amount of soiling.
